## ***SCHOOL'S OUT FOREVER! Well...ok...for summer anyway.***

up a Soccer night.

Those who wish to participate in our summer activities must come in to the center to sign up and fill out waver

drivers. So if you would like to volunteer your time to be a Youth Impact *chauffer*, please let us know. Call the Impact Centre and ask for Mary Jo or Ray. 905-774-6233 or send us an email at [dyimpact@mountaincable.net](mailto:dyimpact@mountaincable.net).

Summer's here...at last! Especially at the Impact Center. Check out our new summer schedule on page four of this newsletter. We have a lot of special events planned over the next two months, including kayaking, swimming, camping, sand castle contests, and even starting

forms. If you're under eighteen you must get them signed by a parent or legal guardian. No one will be allowed to participate without a returned signed waver form.

Each event will have a limit on the number of participants, so it will be on a first come first serve basis.

All volunteers and drivers must have a police check before working with the youth at the centre.

Just think, ten weeks of no homework, no assignments, just having fun!

We're ready for you! Check our website frequently for up and coming summer events. [www.youthimpactcentre.com](http://www.youthimpactcentre.com). Let's have a blast this summer!

The youth centre is also looking for volunteers to help with these events. We are currently short of

## Creative Writing & Photo

The Youth Impact Centre of Dunnville is having a creative writing and photo contest this summer. The deadline is August 15th for all entries. There will be two age categories, 8 to 13 and 14 to 19.

The creative writing contestants must write a story using the topic of why this has been the “best or worst” summer of their lives. It can be a story of true events or can be purely fictional.

The photography contestants must

photograph some of the summer holiday’s highlights, or low points. And yes you can Photoshop them if you wish!

There will be cash prizes for each of the winners, and the stories and photographs will be published in September’s Impact as well as The Chronicle. The winners will also have the opportunity to submit articles that will be published in the “Impact” each month!

Remember, first prize will

go the what we feel is the most creative story and photograph in each age group.

It’s simple, just submit your story or photo to the Youth Impact Centre of Dunnville 215 Chestnut St. N1A 2H2 or email them to us at [dyimpact@mountaincable.net](mailto:dyimpact@mountaincable.net)

“I think this is a great chance for all the aspiring young writers out there to showcase their stuff,” says Lyell, then he adds, “I know this town has a lot of talent and creative people, our goal is to just help bring it out!”

# Welcome Haley & Gabriel

The Youth Impact Centre of Dunnville welcomes Haley Williamson and Gabriel Giguere who are helping out with our summer schedule.

Haley a graduate from Dunnville Secondary School is excited to be on board here at the centre. "I love working with kids, this job is so rewarding!" explained Haley after her first week.

Gabriel, an exchange student from Montreal, is part of a government program, allowing him to work outside of the province of Quebec for the purpose of learning English.

"Wow, this is really great!" Exclaimed Gabriel, "I get to play halo and Rockband, have fun with everybody, learn English and get paid for it!"

Program director Ray Lyell says he's thankful for the help. "It's wonderful to have this help." It allows me to get other stuff done, concentrate on the summer schedule and plan out the fall schedule. With emergency beds possibly coming in October-November to the centre, there is going to be a lot of work to do." So drop in...and say hi to Haley

## YOUTH CENTRE SOCCER!!!

Its that time of year again, the sun is shining and its time to get moving. This summer the Youth Impact Centre is organizing a soccer team for any kids who are interested in having some fun with some friends. Everyone's welcome, we are looking for as many kids to sign up as possible, so we can make more then one team and they can play against each other. Dunnville has its

very own soccer park we can practice and play on. The way we run it will depend on the number of kids who

are interested. Information is posted on the bulletin board at the centre. To sign up, give your name and number to a volunteer at the center, so sign up for some fun. Don't forget your waiver forms!
